## ***Beneficiation Marketing Team***

### **Job Profile**

We are looking for a person for sales and marketing representative to grow our retail client base in North America (US and Canada). As Finestar Diamonds is a natural diamond manufacturer with a global presence it is vital for the person to have a global understanding of different markets. It is important to have the ability to navigate conversations and communicate the marketing points with prospective clients to get them onboard. Once retained it is equally vital to maintain the standard of service Finestar Diamonds is upheld by and insist on a professional working structure.

### **Description**

If located in the US, we are open to offering internship for university students during their summer break for them to get physical exposure of the diamond jewelry market. If the person has the potential and drive they will have a full time job offer in Namibia. Computers and Wi-Fi are provided by the company to ensure a professional working environment at home.

### **Roles/Duty**

- Outbound calling retailers and private jewelers
- Maintaining and managing the client once retained
- Facilitate and educate clients on the diamond pipeline
- Understanding the diamond industry

### **Qualifications**

- University student or University graduate (preferably marketing background)
- Skills in Sales and Marketing
- Computer proficiency – Software (will get training), internet, email, Google, etc
- English proficiency level: Fluent
- Communication skills

### **Criteria**

- Be able to dedicate time at home for professional work from home
- Working hours are Eastern Standard Time (New York Time zone) (4pm-12am Namibia Time)
- Eager to learn and grow
- No criminal background
- Internal Team Communication
- Multitasking
